

The Woods and Waters Area Service Committee of Narcotics Anonymous is comprised of N.A. groups in Northern Wisconsin and the Western Upper Peninsula of Michigan. Our sole purpose is to serve the individual addicts and assist our meetings in their efforts to carry the message of Narcotics Anonymous. Woods and Waters is a member of Wisconsin Regional Service Conference and NA World Service.

The Woods and Waters Area hosts several open speaker meetings, dances, campouts, fellowship related functions and the Annual Journey's Convention. Our website lists our meetings, upcoming events, information, and registration for the Journey's Convention as well as links to NA resources.
